law provisions) to this agreement. Venue for any action under this Agreement lies exclusively in Dallas, County, Texas, and Addison and Vendor each submits for all purposes to the jurisdiction of the courts thereof.

If any paragraph, provision, sentence, clause, or any other part of this agreement is held to be illegal, invalid or unenforceable under present or future laws, such provision shall be fully severable and this agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision is not a part hereof, and the remaining provisions hereof shall remain in full force and effect. In lieu of any illegal, invalid or unenforceable provision herein, there shall be added automatically as a part of this agreement a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

The rights and remedies provided by this agreement are cumulative and the use of any one right or remedy by Addison shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights Addison may have by law statute, ordinance, or otherwise. The failure by Addison to exercise any right, power, or option given to it by this agreement, or to insist upon strict compliance with the terms of this agreement, shall not constitute a waiver of the terms and conditions of this agreement with respect to any other or subsequent breach thereof, nor a waiver by Addison of its rights at any time thereafter to require exact and strict compliance with all the terms hereof. Any rights and remedies Addison may have arising out of this agreement shall survive the cancellation, expiration or termination of the Event and this agreement, except as otherwise expressly set forth herein.

This agreement and each of its provisions are solely for the benefit of Addison and Vendor and are not intended to create or grant any rights, contractual or otherwise, to any third person or entity.

Defined terms used in this agreement may be used interchangeably in singular or plural form, and pronouns shall be construed to cover all genders. Section and subsection headings are for convenience only and shall not be used in the interpretation of this agreement.

"Includes" and "including" are terms of enlargement and not of limitation or exclusive enumeration, and use of the terms does not create a presumption that components not expressed are excluded.

Vendor certifies to Addison that Vendor has read these Booth Rules, has fully informed itself of the contents hereof before signing it, and understands the terms and conditions hereof.

Time is of the essence in this agreement and in each provision contained in it.

The officer or agent of the Vendor signing this agreement on behalf of Vendor acknowledges, warrants, and represents that the officer or agent is the properly authorized representative or official of Vendor and has the necessary authority to execute this agreement for Vendor.
